Why?

We are maxed out. We cannot afford anymore increases, period, plus, the current rates are too high, now. Lower them.

Please do not permit any more increases in billings for Dominion / East Ohio, First Energy, AT&T or for any other energy or service provider, for any reason. Noda. Zip, Zero. Not-a going-to happen.

Please, Our survival is at stake. Any increase at this time will require cutting something out of the budget. WE DO NOT HAVE THE \$\$\$\$.

Please - do not grant any increases. Move to limit and cut back current costs. Do not permit them to be passed on to us the consumers. Please.

Respectfully,

Phillip R. Schettler, Ohio energy consumer.
