- (no account number provided?)

COMMENT DESCRIPTION:

I read in the paper today that Columbia Gas wants to start a program to conserve energy. I have had a 96% efficient furnace since 1988, a programmable thermostat, 12 inches of insulation in my attic, replaced all the windows and doors,sealed all air leaks etc!! I had my riser replaced about 3 years ago! What will they do for me other than charge me 50 cents per month?????????
