RE: Case No. 07-1112-NS-AIR

To Whom it may concern:

I was unable to attend the Aug. 4, 2008 meeting in Mansfield, OH, regarding the above case.

I would like to give my opinion on the rate increase proposed by Ohio American Water Company. I live where we do not have meters - therefore we all pay the same amount every two (2) months. I have the protection water line which is 11.00. So I pay \$81.77 for two (2) months. I am the only person in this household, but I still pay the same as my neighbor who has 5 in their home.

I think meters are the only fair way to use in billing the water usage.
Thank-you. Shirley Vogt
