**SECTION 1 - REGULATIONS**, Continued**1.2      Liability of the Company, Continued**

1.2.17      When a Customer with a non-published telephone number, as defined herein, places a call to the Emergency 911 Service, the Company will release the name and address of the calling party, where such information can be determined to the appropriate local government authority responsible for the Emergency 911 Service upon request of such governmental authority. By subscribing to service under this tariff, Customer acknowledges and agrees with the release of information under the provisions as described above.

1.2.18      Approval of limitation of liability language by the PUCO does not constitute a determination by the Commission that the limitation of liability imposed by the company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a courts responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of the exculpatory clause.

**1.3      Provision of Equipment and Facilities****1.3.1      General**

1.3.1.1      The Company shall use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with, the regulations contained in this tariff. The Company does not guarantee availability by any such date and shall not be liable for any delays in commencing service to any Customer.

1.3.1.2      The Company shall use reasonable efforts to maintain facilities that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the facilities installed by the Company, except upon the written consent of the Company.

1.3.1.3      Equipment installed at the Customer Premises for use in connections with the services the Company offers shall not be used for any purpose other than that for which the Company has provided it.

---

**SECTION 1 - REGULATIONS**, Continued**1.8.2      Cancellation of Service by the Customer**

If a Customer cancels a Service Order or terminates services before the completion of the term for any reason whatsoever other than a service interruption (as defined in 1.10 below), Customer agrees to pay to Company the following sums which shall become due and owing as of the effective date of the cancellation or termination and be payable within the period set forth in 1.6 all costs, fees and expenses incurred in connection with:

- 1)      all Non-Recurring Charges reasonably expended by Company to establish service to Customer, plus
- 2)      any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by Company on behalf of Customer, plus
- 3)      all Recurring Charges specified in the applicable Service Order tariff for the balance of the then current term, and
- 4)      any termination liability for early termination

Inclusion of early termination liability by the company in its tariff or contract does not constitute a determination by the Public Utilities Commission of Ohio (PUCO) that the termination liability imposed by the company is approved or sanctioned by the PUCO. Customers shall be free to pursue whatever legal remedies they may have, should a dispute arise.

**1.9      Miscellaneous****1.9.1      Special Conditions or Requirements**

Where special conditions or special requirements of a Customer involve unusual construction or installation cost, the Customer may be required to pay a reasonable proportion of such costs.

**1.9.2      Telephone Numbers**

The Customer has no property right in the telephone number. The Company may change the telephone number of a Customer for engineering, technical, or other reasons. However, it will not change a telephone number as a penalty or to enforce payment for Company directory advertising charges.

**SECTION 1 - REGULATIONS**, Continued1.10.1 Credit for Interruptions, Continued

Credit for interruptions will be calculated as follows:

<u>Interruption Duration</u>	<u>Credit Allowance</u>
More than 24 but less than 48 hours	Pro rata portion of the monthly charge(s) for all regulated services rendered inoperative during the interruption .
48 hours but less than 72 hours	One-third of one month's charge(s) for all regulated local services rendered inoperative during the interruption.
72 hours but less than 96 hours	Two-thirds of one month's charge(s) for all regulated local services rendered inoperative during the interruption.
96 hours or more	One month's charges for all regulated local services rendered inoperative during the interruption.

1.10.2 Restrictions on Allowances

No credit allowance will be made for:

- (a) interruptions due to the negligence or willful act of the Customer, Authorized-User or Joint-User, including but not limited to noncompliance with the provisions of this tariff;
- (b) interruptions due to the failure or malfunction of Customer provided facilities or the failure or malfunction of any other non-Company equipment;
- (c) interruptions due to electric power failure where the Customer furnishes such electric power;

---

**SECTION 1 - REGULATIONS, Continued****1.10.2      Restrictions on Allowances, Continued**

**1.10.3      Use of Alternative Service Provided by the Company**

Should the Customer elect to use an alternative service provided by the Company during the period that a service is interrupted, the Customer must pay the tariffed rates and charges for the alternative service.

**1.11      MTSS Statement of Compliance**

Customers have certain rights and responsibilities under the Minimum Telephone Service Standards (Ohio Adm. Code 4901:1-5)(MTSS). These safeguards can be found in the Appendix to Ohio Adm. Code 4901:1-5-03, which is entitled "Telephone Customer Rights and Responsibilities." These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnection and reconnection of service.
