LEGAL NOTICE

The Public Utilities Commission of Ohio has scheduled local public hearings in Case Nos. 07-829-GA-AIR, 07-830-GA-ALT, 07-831-GA-AAM, 08-169-GA-UNC, and 06-1453-GA-UNC, *In the Matter of the Application of The East Ohio Gas Company d/b/a Dominion East Ohio for an Increase in Rates for its Gas Distribution Services, for Approval of an Alternative Rate Plan for its Gas Distribution Services, for Approval to Change Accounting Methods, for Approval of Tariffs to Recover Certain Costs Associated with a Pipeline Infrastructure Replacement Program, and for Approval of Tariffs to Recover Costs Associated with Automated Meter Reading.* The hearings are scheduled for the purpose of providing an opportunity for interested members of the public to testify in these proceedings. The local hearings will be held as follows:

- (a) Monday, July 28, 2008, at 2:30 p.m., at the Youngstown City Hall, 26 South Phelps Street, Youngstown, Ohio 44503.
- (b) Tuesday, July 29, 2008, at 1:30 p.m., at the Lima Municipal Center, City Council Chambers, 1st Floor, 50 Town Square, Lima, Ohio 45801.
- (c) Thursday, July 31, 2008, at 1:30 p.m., at the Oliver R. Ocasek Government Center, 161 South High Street, Akron, Ohio 44308.
- (d) Thursday, July 31, 2008, at 7:00 p.m., at Canton City Hall, 218 Cleveland Avenue, Canton, Ohio 44702.
- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

Further information may be obtained by contacting the Public Utilities Commission of Ohio, 180 East Broad Street, Columbus, Ohio 43215-3793, viewing the Commission's Web page at <http://www.puc.state.oh.us> or contacting the Commission's hotline at 1-800-686-7826.

The Public Utilities Commission of Ohio has scheduled local public hearings in Case Nos. 07-829-GA-AIR, 07-830-GA-ALT, 07-831-GA-AAM, 08-169-GA-UNC, and 06-1453-GA-UNC. *In the Matter of the Application of The East Ohio Gas Company d/b/a Dominion East Ohio for an Increase in Rates for its Gas Distribution Service, for Approval of an Alternative Rate Plan for its Gas Distribution Services, for Approval to Change Accounting Methods, for Approval of Tariffs to Recover Certain Costs Associated with a Pipeline Infrastructure Replacement Program, and for Approval of Tariffs to Recover Costs Associated with Automated Meter Reading.* The hearings are scheduled for the purpose of providing an opportunity for interested members of the public to testify in these proceedings. The local hearings will be held as follows:

- (a) Monday, July 28, 2008, at 2:00 p.m., at the Youngstown City Hall, 26 South Phelps Street, Youngstown, Ohio 44503.
- (b) Tuesday, July 29, 2008, at 1:30 p.m., at the Lima Municipal Center, City Council Chambers, 1st Floor, 50 Town Square, Lima, Ohio 45801.
- (c) Thursday, July 31, 2008, at 1:30 p.m., at the Oliver R. Ocaszek Government Center, 161 South High Street, Akron, Ohio 44308.
- (d) Thursday, July 31, 2008, at 7:00 p.m., at Canton City Hall, 218 Cleveland Avenue, Canton, Ohio 44702.
- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

The local hearings will be held as follows:

- (a) Monday, July 28, 2008, at 2:00 p.m., at the Youngstown City Hall, 26 South Phelps Street, Youngstown, Ohio 44503.
- (b) Tuesday, July 29, 2008, at 1:30 p.m., at the Lima Municipal Center, City Council Chambers, 1st Floor, 50 Town Square, Lima, Ohio 45801.
- (c) Thursday, July 31, 2008, at 1:30 p.m., at the Oliver R. Ocaszek Government Center, 161 South High Street, Akron, Ohio 44308.
- (d) Thursday, July 31, 2008, at 7:00 p.m., at Canton City Hall, 218 Cleveland Avenue, Canton, Ohio 44702.
- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

The Public Utilities Commission of Ohio has scheduled local public hearings in Case Nos. 07-829-GA-AIR, 07-830-GA-ALT, 07-831-GA-AAM, 08-169-GA-UNC, and 06-1453-GA-UNC, *In the Matter of the Application of The East Ohio Gas Company d/b/a Dominion East Ohio for an Increase in Rates for its Gas Distribution Service, for Approval of an Alternative Rate Plan for its Gas Distribution Services, for Approval to Change Accounting Methods, for Approval of Tariffs to Recover Certain Costs Associated with a Pipeline Infrastructure Replacement Program, and for Approval of Tariffs to Recover Costs Associated with Automated Meter Reading.* The hearings are scheduled for the purpose of providing an opportunity for interested members of the public to testify in these proceedings. The local hearings will be held as follows:

- (a) Monday, July 28, 2008, at 2:00 p.m., at the Youngstown City Hall, 26 South Phelps Street, Youngstown, Ohio 44503.
- (b) Tuesday, July 29, 2008, at 1:30 p.m., at the Lima Municipal Center, City Council Chambers, 1st Floor, 50 Town Square, Lima, Ohio 45801.
- (c) Thursday, July 31, 2008, at 1:30 p.m., at the Oliver R. Oucasek Government Center, 161 South High Street, Akron, Ohio 44308.
- (d) Thursday, July 31, 2008, at 7:00 p.m., at Canton City Hall, 218 Cleveland Avenue, Canton, Ohio 44702.
- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

The hearings are scheduled for the purpose of providing an opportunity for interested members of the public to testify in these proceedings. The local hearings will be held as follows:

- (a) Monday, July 28, 2008, at 2:00 p.m., at the Youngstown City Hall, 26 South Phelps Street, Youngstown, Ohio 44503.
- (b) Tuesday, July 29, 2008, at 1:30 p.m., at the Lima Municipal Center, City Council Chambers, 1st Floor, 50 Town Square, Lima, Ohio 45801.
- (c) Thursday, July 31, 2008, at 1:30 p.m., at the Oliver R. Ocaszek Government Center, 161 South High Street, Akron, Ohio 44308.
- (d) Thursday, July 31, 2008, at 7:00 p.m., at Canton City Hall, 218 Cleveland Avenue, Canton, Ohio 44702.
- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

- (e) Monday, August 4, 2008, at 12:30 p.m., at the Frank J. Lausche State Office Building, 2nd Floor, Auditorium, 615 West Superior Avenue, Cleveland, Ohio 44113.
- (f) Monday, August 4, 2008, at 7:00 p.m., at the City Hall Municipal Building, Council Chambers, 1st Floor, 44 North Forest Street, Geneva, Ohio 44041.
- (g) Tuesday, August 5, 2008, at 1:30 p.m., at Marietta College, McDonough Auditorium, 215 Fifth Street, Marietta, Ohio 45750.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.
