ENTRY

The attorney examiner finds:

- (1) On August 27, 2008, the evidentiary portion of the hearing in the above-captioned cases concluded.
- (2) At that time, the attorney examiner instructed the parties that there would be both the opportunity to present oral arguments before the Commission, following its September 24, 2008, meeting, which will be transcribed, as well as the opportunity

to file both initial and reply briefs. With respect to the oral arguments, the specific procedures, time limits, format to be followed by parties wishing to participate, and order of parties' arguments will be determined in advance of September 24, 2008, and the parties will be informed accordingly.

- (3) With respect to briefs, initial briefs must be filed and electronically served on all other parties by September 10, 2008. Reply briefs must be filed and electronically served on all other parties by September 16, 2008.
- (4) Given that all of the parties to these proceedings have either signed or do not oppose a stipulation that resolves all of the issues with the exception of the rate design issue and all of the parties will be given both the opportunity to argue orally as well as to file initial and reply briefs on that unresolved issue, the examiners ordered, at the August 27, 2008, hearing, that initial briefs and reply briefs shall be no longer than 15 pages each, not including any pages used to designate proof of service of the briefs. Further, all briefs shall be prepared with font size of 12 or greater, and standard margins. In addition, in the briefs, parties need not discuss the procedural history of these proceedings or provide a table of contents.

It is, therefore,

ORDERED, That the parties comply with the requirements of this entry, as previously ordered on August 27, 2008. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
