**Comments:**

Please stop the AEP Electric Company request for a 15% rate increase...I'm sure you saw their last profit statement... I am a retired GM Salary employee...have not had a increase in my pension for 10 years and will lose all my health care effective 1/1/2009...All my kids work hard and their cost of living has increase at least 10% this year, but their pay has not...we are not complaining and all of us are trying to make Ohio a great place to live...AEP Electric does not need this increase in rates now...when times get better ...maybe. Please let me know how you feel about this issue. Thank you sir, Earl S. Walp
