Re: Case No. 05-276-EL-AIR

Dear Ms. McCauley:

On August 28, 2008, DP&L filed revised tariff sheets pursuant to the Commission's Opinion and Order dated December 28, 2005 in Case No. 05-276-EL-AIR. DP&L has discovered the inadvertent transposition of a number in sheet G22. Specifically, the shopping credit for residential customers taking service at the 0-750 kWh level should be \$0.06072 /kWh instead of \$0.06720/kWh as erroneously shown. Please accept for filing four copies of revised tariff sheet for Electric Service (P.U.C.O. No. 17) G22 as a substitute for sheet G22 filed August 28, 2008. We apologize for the error.

Thank you for your assistance and your attention to this matter. If you have any questions please feel free to call me at (937) 259-7171.

Very truly,

Judi L. Sebecki
Senior Counsel
