INVESTIGATION DIVISION
PUBLIC UTILITIES COMMISSION OF OHIO

September 2, 2008

To whom it may concern,

Please know that I am
strongly opposed to the straight-fixed
variable rate for my gas charges.
Presently I use Columbia Gas of Ohio.
The projected increases in price are
not fair.

I have saved hard, and
still work at age 73, to install new
double pane windows, new roof,
weather stripping, etc. in order to cope
with lower costs for my gas bill.

Because I care, save, and take care
of my property it is most un-just
to impose the raised costs as listed
in those fixed prices in order to pay
for others who may be neglectful.

Please forward my letter to
Columbia Gas 08-0072-GA-AIR.
