**Re: Rules for Alternative and Renewable Energy Technologies  
and Resources, and Emission Control Reporting  
Requirements, Case No. 08-888-EL-ORD**

Dear Ms. Jenkins:

On September 9, 2008, the Ohio Consumer and Environmental Advocates ("OCEA") filed comments in the above-referenced proceeding. Northeast Ohio Public Energy Council ("NOPEC") had intended to join these comments, but due to the press for time attending the current cases before the Commission, NOPEC inadvertently was not included on the comments filed by OCEA.

By this letter, NOPEC expresses its support for, and indicates its intentions to join, the comments filed by OCEA.

If you have any questions, please call me at the number listed above.

Sincerely,

Thomas J. O'Brien
