PUCO

Dear PUCO.

I am a retiree on a fixed income. Myself and others like me cannot afford the escalating price of natural gas. I feel that Vectren Energy Delivery: 09-1080-GA-AIR. is pricing their services way out of proportion. Even the OCC believes Vectren's proposals are out of line. I would appreciate it if you could look into this matter. I'm writing because the hearings are too far away and I can't afford the gasoline also.

Sincerely,
Dulene Campbell
