SECTION 2 - RULES AND REGULATIONS (Cont'd)**2.10. DEPOSITS**

2.10.1. Company reserves the right to require Customer to make a deposit to guarantee payment of charges.

2.10.2. Deposit and Guarantee Requirements

The utility may require a deposit or guarantee of payment from any customer or applicant who has not established good credit with that utility, in accordance with the MTSS. Deposit or guarantee of payment requirements as prescribed by the utility must be based upon standards which bear a reasonable relationship to the assurance of payment. The utility may determine whether a customer has established good credit with that utility, except as herein restricted:

1) A customer, who within the last 12 months has not had service disconnected for nonpayment of a bill and has not been liable for disconnection of service for nonpayment of a bill, and the bill is not in dispute, shall be deemed to have established good credit. When required, a customer may assure payment by submitting a deposit. A deposit shall not exceed an estimated two months' gross bill or existing two months' bill where applicable.

2) A deposit or a guarantee of payment shall not be based upon income, home ownership, residential location, employment tenure, nature of occupation, race, color, creed, sex, marital status, age, national origin, or any other criteria which does not bear a reasonable relationship to the assurance of payment or which is not authorized by Ohio statutes or rules.

3) Credit reports shall not be used other than those reflecting the purchase of utility services to determine the adequacy of a customer's credit history without the permission in writing of the customer. Any credit history so used shall be bailed to the customer in order to provide the customer an opportunity to review the data. Refusal of a customer to permit use of a credit rating or credit service other than that of a utility shall not affect the determination by the utility as to that customer's credit history.

4) Qualifying applicants for service connection assistance will receive the service at no charge or reduced cost.

5) The amount of a deposit assessed for local service or toll service shall not exceed 230% of the estimated or, where the customer or service applicant has either an existing or a previous service account billing history with the local or toll service provider, the historic month average total charge for all regulated local services provided (or to be provided) to the Customer by the Company.
