I strongly urge the  
gas company to do the  
right thing about raising  
the gas prices.

It will be a hardship  
on a lot of people but those  
on a fixed income will  
feel it the most.

We are the ones with  
only social security and a  
small pension.

Please do the right  
thing when you make your  
decision.

Thank you Don Piper
