Attn: Docketing Division

TO: Whom It May Concern.

DO NOT allow AEP Ohio to pass the "Significant Rate Increase to Residential Consumers" with the "Economy and Wall Street problems" we do not need more financial burdens added. I am a low income senior citizen trying to keep my bills current and don't need any more pressure and problems. I am also speaking as President of our Small Town Council consisting of: mayor, clerk/treasurer and six Council members. Please add Eight (8) Consumers to your list opposing the Rate Hike. (The above is Village of West Rushville, Ohio)
