LEGAL NOTICE

The Public Utilities Commission of Ohio has scheduled additional local public hearings in Case Nos. 07-829-GA-AIR, 07-830-GA-ALT, 07-831-GA-AAM, 08-169-GA-UNC, and 06-1453-GA-UNC, *In the Matter of the Application of The East Ohio Gas Company d/b/a Dominion East Ohio for an Increase in Rates for its Gas Distribution Service, for Approval of an Alternative Rate Plan for its Gas Distribution Services, for Approval to Change Accounting Methods, for Approval of Tariffs to Recover Certain Costs Associated with a Pipeline Infrastructure Replacement Program, and for Approval of Tariffs to Recover Costs Associated with Automated Meter Reading.* Having previously scheduled seven other local public hearings, these additional hearings are being scheduled for the purpose of providing a further opportunity for interested members of the public to testify in these proceedings. These additional local hearings will be held as follows:

- (a) Monday, August 18, 2008, at 6:00 p.m., at the Council Chambers, Garfield Heights Civic Center, Lower Level, 5407 Turney Road, Garfield Heights, Ohio 44125.
- (b) Tuesday, August 19, 2008, at 6:00 p.m., at the Chevrolet Centre, 229 East Front Street, Youngstown, Ohio 44503.
- (c) Thursday, August 21, 2008, at 6:00 p.m., at the Charles Goodyear Memorial Pavilion, East Room, Goodyear Heights Metro Park, 2077 Newton Street, Akron, Ohio 44305.

By its application, DEO seeks a rate increase which would generate approximately \$75,007,378 of additional revenue, or an increase of 7.12 percent over current revenue. After its review of the company's records and application, the staff of the Commission recommends an increase in revenue of between \$33,607,411 and \$45,564,961, or an increase of between 3.28 percent and 4.44 percent over current revenue.

The major issues in this case are as follows:

- (a) Revenue requirements as impacted by rate base, operating income, and rate of return.
- (b) Adjustments to the company's test year rate base and operating income.
- (c) The level of the monthly customer charge that customers will pay.
- (d) Rate design, including consideration of decoupling and straight fixed variable mechanisms.
- (e) Application of the gross receipts tax rider and the proposed sales reconciliation rider.
- (f) Funding for demand side management and weatherization programs.
- (g) Customer service issues.
- (h) Deployment of automated meter reading equipment and the recovery of the costs through a rider.
- (i) The pipeline infrastructure replacement program and the recovery of the program's costs through a rider.

Further information may be obtained by contacting the Public Utilities Commission of Ohio, 180 East Broad Street, Columbus, Ohio 43215-3793, viewing the Commission's web page at <http://www.puc.state.oh.us> or contacting the Commission's hotline at 1-800-686-7826.
