- (2) In accordance with the Opinion and Order, DEO has submitted for Commission review and approval four complete copies of its proposed tariffs.
- (3) Upon review, that Commission finds that DEO's proposed tariffs are consistent with the Opinion and Order, except that, in paragraph four of Original Sheet No. F-ECTS-LI1, the language should be modified to read, "The following charges for this one-year pilot program, limited to 5,000 customers, are effective for bills rendered on or after _____, 2008.". Therefore, DEO's proposed tariffs are approved with this modification.

It is, therefore,

ORDERED, That the DEO's proposed tariffs be approved, to the extent set forth herein. It is, further,

ORDERED, That DEO be authorized to file in final form four complete, printed copies of tariffs consistent with the findings of this Entry. DEO shall file one copy in its TRF docket number (or may make such filing electronically as directed in Case No. 06-900-AU-WVR), and one copy in this case docket. The remaining two copies shall be designated for distribution to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department. It is, further,

ORDERED, That the effective date of the new tariffs shall be the date upon which four complete, printed copies of final tariffs are filed with the Commission. The new tariffs shall be effective for bills rendered on or after such effective date. It is, further,

ORDERED, That nothing in this Entry shall be deemed to be binding upon this Commission in any subsequent investigation or proceeding involving the justness or reasonableness of any rate, charge, rule or regulation. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record in this case.
