RECEIVED-DOCKETING DIV

This letter is in response to an article in the newspaper that Columbia Gas customers will be seeing a big increase in our rates.

How much more can a person on Social Security be expected to do? Everytime we turn around something is constantly going up.

I am not for this much of a rate increase or even a small increase.

I certainly will be looking for a new gas distributing company if this rate increase goes through.

I pray that you listen to us.

Thank you
Marceline Smek
