To The Director of The Public Utilities Commission.

I want to voice my opposition to the proposed rate hike for AEP services. I started to

receive their services in late November 2000 at a budgeted amount of \$50 and as of 2008 it has in-

creased to \$90 which I feel is over the top. I

am a 78 yr. old retiree and live alone in my

2 bedroom Condo using only basic services ie, lights, refrigerators, washer/dryer AC and heat. No extreme temperature settings.

I think an 80% increase is ridiculous already

and to ask for a 15% increase each year for three yrs.

is also ridiculous. I appreciate having the service but

I also need to be able to afford to pay.

Thank you,
 Mrs. Kathryn N. Range
