Case # 08-935-EL-SSO (Electric Security Plan)
08-936-EL-SSO (Market Rate Option)

October 28, 2008

To Whom It May Concern:

This letter is in reference to the First Energy Rate Increase on January 1, 2009. I would like for you to consider:

- 1.) FES continue the NOPEC generation discount after January 1, 2009 until a new NOPEC generation supply can start;
- 2.) The PUCO adopt NOPEC's recommendations in the FE ESP case to eliminate the 1cent/kwh rider for NOPEC customers and to eliminate or establish a credit for NOPEC customers for the proposed generation deferral to allow for NOPEC to provide generation to your residents starting next year; and
- 3.) Prevent FirstEnergy from making excessive profits at the expense of economically challenged hard working Ohioans.

Sincerely,

Jeffrey P. McKinney II
