SECTION 6 - SPECIAL CONTRACTS, ARRANGEMENTS AND CONSTRUCTION**6.1 Special Contract Arrangements**

At the option of the Company, services may be offered on a contract basis to meet specialized pricing requirements of the Customer not contemplated by this tariff. The terms of each contract shall be mutually agreed upon between the Customer and Company and may include discounts off of rates contained herein and waiver of recurring, nonrecurring, or usage charges. The terms of the contract may be based partially or completely on the term and volume commitment, mixture of services or other distinguishing features. Service shall be available to all similarly situated Customers for a fixed period of time following the initial offering to the first contract Customer as specific in each individual contract.

6.2 Special Service Arrangements

6.2.1 If a Customer's requirements cannot be met by services included in this tariff, the Company will provide, where practical, special service arrangements. These special service arrangements will be provided if the provision of such arrangements are not detrimental to any other services furnished under the Company's tariffs. All such special arrangements will be filed with the PUCO.

6.2.2 Special service arrangement rates are subject to revision depending on changing costs and operating conditions.

6.2.3 If and when a special service arrangement becomes a tariffed offering, the tariffed rate or rates will apply from the date of tariff approval.

6.3 Non-Routine Installation Charges
