**MEMORANDUM IN SUPPORT OF
THE MOTION TO INTERVENE OF
CONSTELLATION NEWENERGY, INC. AND
CONSTELLATION ENERGY COMMODITIES GROUP, INC.**

Section 4903.221, Revised Code and Rule 4901-1-11 of the Ohio Administrative Code, establish the standard for intervention in the above-styled proceeding as a full party of record.

Rule 4901-1-11 of the Ohio Administrative Code states in part:

Upon timely motion, any person shall be permitted to intervene in a proceeding upon a showing that:

* * *

(2) The person has a real and substantial interest in the proceeding, and the person is so situated that the disposition of the proceeding may, as a practical matter, impair or impede his or her ability to protect that interest, unless the person's interest is adequately represented by existing parties.

In addition to establishment of a direct interest, the factors that the Public Utilities Commission of Ohio (the "Commission") considers in implementing the above rule are the nature of the intervenor's interest, the extent that interest is represented by existing parties, the intervenor's potential contribution to a just and expeditious resolution of the issues involved, and whether intervention would result in an undue delay of the proceeding. (See also R.C. 4903.221(B) upon which the above rule is authorized). A review of these factors in light of following facts supports granting Constellation's intervention.

Constellation NewEnergy, Inc. ("CNE") provides electricity and energy-related services to retail customers in Ohio as well as in 15 other states, the District of Columbia and two Canadian provinces and serves more than 15,000 megawatts of load and more than 10,000 customers. CNE holds a certificate as a competitive retail electric supplier ("CRES") from the Commission to engage in the competitive sale of electric service to retail customers in Ohio. CNE currently provides service to retail electric customers in Ohio.

Constellation Energy Commodities Group, Inc. ("CCG") provides wholesale power and risk management services to wholesale customers (distribution utilities, co-ops, municipalities, power marketers, utilities and other large load serving entities), throughout the United States and Canada, in both regulated and deregulated energy markets. CCG is active in the PJM Interconnection, L.L.C. and Midwest Independent System Operator ("MISO") wholesale power markets and has sold power for wholesale delivery in Ohio. CNE and CCG are subsidiaries of Constellation Energy Group, Inc.

In the instant matter, the Dayton Power and Light Company ("DP&L") filed an application (the "Application"), pursuant to Ohio Rev. Code §§ 4928.141 and 4928.143, for approval for its Electric Security Plan ("ESP"). Pursuant to Ohio Rev. Code § 4928.143(D), DP&L's ESP maintains DP&L's existing Rate Stabilization Plan ("RSP") through December 2010.

Constellation has business interests in the State that will be affected by the outcome of the proceeding. As a potential supplier of electric power and energy in the State, Constellation has an interest in the instant proceeding as the Commission assesses whether the Application is consistent with Senate Bill 221, which became law effective July 31, 2008, and makes other decisions that will affect the viability of the competitive electric market in Ohio in which CCG provides electric power and other products and services to wholesale customers and in which CNE is a supplier of electric power and energy to retail customers.

This motion for intervention precedes all discovery or other procedural termination dates. The motion is also being filed more than five days before the hearing deadline established in Rule 4901-1-29. Thus, the intervention is timely and should not unduly delay the instant proceedings. Finally, because of its unique expertise and participation in the competitive retail

and wholesale markets in Ohio and across the country, Constellation will be able to assist in the development of a full and complete record to assist the Commission in its consideration of the Application.

WHEREFORE, Constellation respectfully requests that the Commission grant this joint motion for leave to intervene and that CNE and CCG each be made a full party of record. For purposes of receiving service in the proceeding, in addition to the undersigned, Constellation requests that the following persons be placed on the official service list:
