Docketing Case No.:08-918-EL-SSO

**Notes:**

I must strongly protest AEP's proposed rate hikes over the next few years. I understand this could total a nearly 50% increase. A few years ago we had an ice storm in December. It took 5 days to get our electric service back. In September of this year we had a wind storm which knocked out our electric service for 7 days. How can a utility that gives this kind of service seriously ask for a huge rate increase.

As a retired couple, we can ill afford any rate increase, let alone a large one.  
 Please do not allow this increase to happen.

Please docket the attached in the case number above.
