6.02. ENHANCED EMERGENCY NUMBER SERVICE (E911)

6.02.03. Rates and Charges

G. Program Development Charges

These are charges applicable to the work necessary to design, develop, test and maintain any special programming required to support E911 Service, its billing and its data base management. The rate is based on Company time and materials expended.

H. Records Conversion Charges

These are charges applicable to the work necessary to design, review, modify and maintain any Company customer records keeping systems in order to support E911 Service, its billing and data base management. The rate is based on Company time and materials expended.

I. Quotation Preparation

The customer may request a quotation for all costs associated with the provision of the facilities needed to satisfy the customer's service requirements. A quotation so provided does not bind the Company to the rates set forth in the quotation. All rates for services or facilities to be provided by the Company will be determined in accordance with the guidelines in this tariff.

J. Additional Charges from Other Companies

Any onetime charge for the provision of E911 Service passed on to the Telephone Company from another telephone company, interexchange carrier or other party will be in addition to the nonrecurring charges shown in this tariff for E911 Service. (C)

K. Changes to Orders

When a customer requests changes for a pending order for the provision of Emergency Service, the changes will be undertaken if they can be accommodated by the Company personnel and will be billed to the customer at the appropriate hourly charges. (C)
