ENTRY

The attorney examiner finds:

- (1) On May 28 and June 4, 2008, the Commission issued entries in these consolidated proceedings, addressing the redaction of confidential documents. The Commission also issued entries on rehearing regarding those redactions, on July 31 and October 1, 2008.
- (2) On November 5, 2008, the Commission issued an entry in which it stated that, the time for filing any applications for rehearing concerning the redacted documents had expired, no issues remained to be determined. Therefore, the Commission directed the attorney examiners to file the redacted documents in these dockets as soon as possible. On November 10, 2008, those documents were filed.
- (3) The attorney examiner has noted that page 372 of the redacted documents was filed in redacted form, although that same item was filed in unredacted form as page 1008, pursuant to Commission determination that it was not confidential. Therefore, the examiner finds that page 372 is similarly not confidential and should be released by the Commission's docketing division without redaction.

It is, therefore,

ORDERED, That the Commission's docketing division release, into the public domain, the unredacted version of page 372, as described in this entry. It is, further,

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business
Technician  Date Processed 11-17-08

ORDERED, That a copy of this entry be served upon all parties of record in these proceedings.
