COMMENT DESCRIPTION:

AEP wants to raise our rates by 15% per year for the next three years. Thus, if you are paying \$100.00 per month during 2008, you will be paying \$152.08 per month during 2011! That is outrageous! I can see some sort of raise being fair, say in the 5% per year range, but not 15% per year. Please strike down their request as being too exhorbitant for their consumers, especially during these austere economic times.

Thanks, Mike Dewey
