Re: Case No. 07-1216-TP-ARB, Petition of Intrado Communications Inc. for Arbitration of Interconnection Rates, Terms, and Conditions and Related Arrangements with United Telephone Company of Ohio dba Embarq and United Telephone Company of Indiana dba Embarq, Pursuant to Section 252(b) of the Telecommunications Act of 1996

Dear Ms. Jenkins:

Intrado Communications Inc. ("Intrado Comm"), by its attorneys, respectfully submits this response to the November 19, 2008 correspondence filed by United Telephone Company of Ohio and United Telephone Company of Indiana (collectively, "Embarq") purporting to provide the Commission "supplemental authority" in the above-referenced arbitration proceeding.

Embarq's correspondence omits a key fact in connection with the West Virginia Arbitration Award. Specifically, the West Virginia Arbitration Award is not a final decision. Rather, the award is a recommended administrative law judge decision that remains subject to review and revision by the full West Virginia commission. Exceptions to the award are due Friday, November 21, and a final decision is expected from the full West Virginia commission on Friday, December 19.

If you have any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

Chérie R. Kiser
Counsel for Intrado Communications Inc.
