COMPLAINT DESCRIPTION:

I have recently read where Columbia Gas and Columbus Water Dept. wants to raise rates. Customers are losing their jobs left and right. We cannot afford this rate increase. My husband's company might lay him off and my company has cut jobs. Please do not allow these companies to do this at this time because people won't be able to live. We have always paid our bills on time. If this rate increase is approved people will not be able to pay their bills. It can wait until this financial CRISIS is over. Thank you for your time.
