2.0 General Rules and Regulations (cont'd)

2.5 Contract for Service

Installation of certain services may require a contractual agreement between a Customer and McLeodUSA. The contractual agreement specifies the terms and conditions of service not covered by this tariff. The contract does not alter the obligations of McLeodUSA to Customers as described in this tariff. The term of the services shall commence and will remain in effect from the service activation date for the term of the contract. In the event McLeodUSA continues to provide service beyond the end of the initial term without an additional written agreement between the parties, then McLeodUSA shall continue to provide service to the Customer under the terms of the then applicable tariff and applicable terms of the expired contract under a month-to-month arrangement. McLeodUSA may choose to renew the contract for a period equal to its original term by giving the Customer notice of the proposed renewal. If the Customer does not timely advise McLeodUSA that the Customer desires to terminate the contract at the end of the contract, then the contract will renew.

2.6 Application for Service

2.6.1 Information Required

When applying for service, each prospective Customer will be required to furnish McLeodUSA with the following information:

- C. Any information required to make a proper determination of appropriate creditworthiness, as set forth in 4901:1-5-13 of the Ohio Administrative Code.

2.6.2 Initiation of Service

Service shall be deemed to be initiated upon the service activation date. For multi-location customers, service shall be deemed to be initiated upon service activation at the first location.
