Re: Mr. Ruehrmund

Docketing Case No.: 08-0072-GA-AIR

Notes: In approving the agreement reached in this case, Columbia's customers will see a number of benefits, PUCO Chairman Alan R. Schriber stated. The agreement includes system improvement programs, conservation programs and assistance for low income customers. What a bunch of bs! The only benefit we will see is a huge increase in our monthly cost. Paying for the mismanagement of Columbia Gas should not fall on the consumers. We are tired of bailouts for all the mistakes made out of our control. Thanks to the PUCO for making it happen.
