**MEMORANDUM IN SUPPORT OF
MOTION TO INTERVENE BY
CARGILL, INCORPORATED**

Pursuant to ORC Section 4903.221, and Ohio Administrative Code Section 4901-1-11, Cargill, Incorporated [Cargill] moves the Public Utilities Commission of Ohio [Commission] for leave to intervene in this proceeding as a full party of record.

Cargill's processing facilities in Dayton and Sidney, Ohio are served, respectively, by the Dayton Power & Light Company [DP&L] under its Primary Substation and Primary schedules. Cargill Dayton and Cargill Sidney, as two of DP&L's largest customers, consume over 200 million kWh per year. Cargill Dayton and Sidney facilities long have supported the DP&L service area through purchases of goods and services;

local, state and federal tax payments; and employment of a large, highly trained workforce.

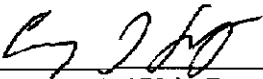

Cargill intervened and actively participated in Case No. 02-2779-EL-ATA that approved the Rate Stabilization Plan, and in Case No. 05-276-EL-AIR that approved increased distribution rates, including the RSS and EIR riders.

Cargill has a real and substantial interest in these proceedings that is not represented by an existing party. Intervention is necessary for Cargill to protect those real and substantial interests. Cargill's participation will not cause undue delay, will not unjustly prejudice any existing party, and will contribute to the just and expeditious resolution of issues raised in this proceeding.

Cargill, with a real and substantial interest in these proceedings, needs to be heard, and is entitled to intervention under ORC Section 4903.221, and Ohio Administrative Code Section 4901-1-11.

Wherefore, Cargill respectfully requests that the Commission, its legal director, the deputy legal director, or the attorney examiner assigned to these matters, grant intervention in this proceeding as a full party of record.
