ENTRY ON REHEARING

The Commission finds:

- (1) On August 30, 2007, The East Ohio Gas Company d/b/a Dominion East Ohio (DEO) filed applications to increase its gas distribution rates, for authority to implement an alternative rate plan for its gas distribution services, and for approval to change accounting methods. On December 13, 2006, DEO filed

an application for approval of tariffs to recover, through an automatic adjustment mechanism, costs associated with the deployment of automated meter reading equipment. On February 22, 2008, DEO filed an application requesting approval of tariffs to recover, through an automatic adjustment mechanism, costs associated with a pipeline infrastructure replacement program. All of these applications were consolidated by the Commission.

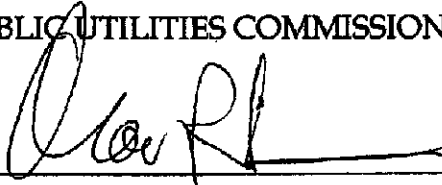

- (2) On October 15, 2008, the Commission issued an opinion and order in these cases.
- (3) Section 4903.10, Revised Code, states that any party who has entered an appearance in a Commission proceeding may apply for rehearing with respect to any matters determined in that proceeding, by filing an application within 30 days after the entry of the order upon the journal of the Commission.
- (4) On November 14, 2008, DEO filed an application for rehearing asserting five grounds for rehearing. Also on November 14, 2008, the Office of the Ohio Consumers' Counsel, the city of Cleveland, Ohio Partners for Affordable Energy, the Neighborhood Environmental Coalition, the Empowerment Center of Greater Cleveland, Cleveland Housing Network, and the Consumers For Fair Utility Rates (collectively, Consumer Groups) filed an application for rehearing asserting eight grounds for rehearing.
- (5) The Commission grants DEO's and Consumer Groups' applications for rehearing. We believe that sufficient reasons have been set forth by DEO and Consumer Groups to warrant further consideration of the matters specified in the applications for rehearing.

It is, therefore,

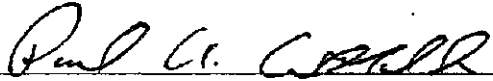

ORDERED, That DEO's and Consumer Groups' applications for rehearing be granted for further consideration of the matters specified in the applications for rehearing.
It is, further,

ORDERED, That copies of this entry on rehearing be served upon parties of record.
