Tell me what gives you and Duke Energy the right to Pass the Cost of the September (14th) Wind Storm On to the Customers Bill? With the Economy like it is, And so many people like myself on fixed income, And so many people losing their jobs, We're just barely making it now. (Shame on you) We're the ones that suffered the loss. We lost our Ford We were without power for several days. I Bet Mr Duke didn't deduct those days from Our bills. I didn't see any deduction on my bill. I didn't turn my food loss into my insurance Co. I took the loss myself. I had plenty tree limbs down and I had to pay for the Clean Up, Plus I Worked darn hard Cleaning my yard up and Jim (74 yrs old) and you know what! We had No Power But Not one power line was down in Our sub-Division, Not one. So how can you justify this Cost to Our bills? It's just Not fair and it's Wrong. (It's just plain Greed) Other people need to live also, Not just exist like We're doing. You sure don't have any Concern about Other people Or their well fare. I hope you think long and hard About what you're doing.

Sincerely

Mrs. Lorena Lamm

Complaint Dept

Dear Sir,

I am entering a Complaint against Duke Energy for the charges they will be putting on customers bills for their expenses from storm on 9-14-08. I think it is a crime to allow those charges to the customers. People lost a lot due to that storm and cannot collect for their damage. Dukes expenses should be that company's cost for being in business just as other companies costs are.

Now that we are in another bad storm will you allow Duke to add that to our electric bills too? I hope you will check and reconsider about giving Duke the OK for these charges.

Thank you

SUBJECT: DUKE ENERGY CLAIMS FOR COLLECTION FOR WINDSTORM DAMAGES

HOW COULD THE PUBLIC UTILITIES COMMISSION OF OHIO ALLOW THE
DUKE ENERGY TO COLLECT WINDSTORM DAMAGES FROM THE CUSTOMERS
FOR SEPTEMBER WINDSTORM??

IN THE FIRST PLACE MOST HOME OWNERS TOOK GREAT LOSSES IN THE
STORM BECAUSE THEY WERE AFRAID THE INSURANCE COMPANIES WOULD
RAISE THEIR RATES OR CANCEL IF THEY TURNED IN LOSSES TO THE
INSURANCE COMPANIES. WE ARE NOW PAYING FOR HURRICANES THAT
HAPPENED IN OTHER STATES BUT RAISED OUR RATES.

NOW WALTZES IN THE DUKE ENERGY AND SEEKS MILLIONS IN SO CALLED
EXPENSES IN THE SEPTEMBER WINDSTORM. MY QUESTION IS, DID THEY
MAKE A PROFIT ANY YEAR AND IF SO WHY DID THEY NOT SHARE THEIR
GOOD FORTUNE WITH THE CUSTOMERS?? IS THIS A JOKE THAT IS NOT
FUNNY _ OR ONLY AGAIN SHOWS THE GREED THAT HAS LEAD TO THE
ECONOMIC CONDITION OF AMERICA TODAY. WILL SOMEONE PLEASE EXPLAIN
TO ME EXACTY HOW THIS CAN BE SO ONE SIDED??

Sir:

I am writing about Duke Energy's request for money from me to pay for storm damage. We had damage which we paid for. Duke had damage which we now pay for. Duke is a for profit company.

You are not fair to Duke customers when you have us pay interest over and above the cost of the storm damage. This alludes that the damage was our fault, and we must pay an extra penalty.

Please change the ruling and eliminate the interest charge.
