Gentlemen.

How ignorant, brassy or
what ever you want to call it

To ask for a 15% per year for
the next 3 years, can the people
who run AEP get. This is
outrageous. When the public
is going through the worst
recession in 25 years, with
millions of people now out of
work, homeless, etc. These
people want this rate hike?
Tell their CEO to take a
big pay cut not just a few

2
dollars less, but a 15%
pay cut, then maybe they
wouldn't need a pay hike.
I'm just barely making it
now. If you people don't
tell them no then you along
with the AEP CEO's
need to be replaced.

Of all the nerve to ask
for a rate hike now!

Tell them to cut down on
all their luxurious living
& they might not need it
I wonder how much of
next page

{a rate
that pay hike} will go into
their pockets before getting
where it should really go!

Not much if any!

P.S. and I think its a pay hike
for the CEO's & they want
to hide it by calling for a
rate hike. I say NO! NO!
NO! period!
