RE: Business Discount Plan, Inc. Case No. 09- 0154 -TP-ATA

Dear Ms. Jenkins:

Pursuant to the Public Utilities Commission of Ohio's ("Commission") detariffing Implementation Order,¹ enclosed for filing with the Commission is an original of Business Discount Plan, Inc.'s ("BDP") *Telecommunications Application Form for Detariffing and Related Actions* and supporting documents ("Application"), in the above reference Case. An electronic copy of the Application has been filed using the Commission's on line E-File system.

Requisite customer notice was made via direct mail on January 3, 2008. Evidence of customer notice was submitted to the Commission electronically on March 2, 2009. Although the Company's application had been prepared and requisite customer notification made, the Company's detariffing application was inadvertently not previously filed with the Commission.

Please acknowledge receipt of this filing by file-stamping and returning the extra copy of this transmittal letter in the self-addressed, postage-paid envelope provided for this purpose. Questions concerning this filing may be directed to the undersigned

Sincerely,

MILLER ISAR, INC.

IMPORTANT CUSTOMER NOTICE

January 3, 2008

Dear Valued Subscriber

Beginning on January 20, 2008 the prices, service descriptions, and the terms and conditions for long distance services that you are provided by Business Discount Plan, Inc. will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Business Discount Plan, Inc. must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a (guidebook/catalog) online at <http://www.interstatebdprate.net/> or you can request a copy of this information by contacting Business Discount Plan Inc., in writing at One World Trade Center, Suite 800, Long Beach, CA 90831 or by calling the Company's toll free number, 800.680.1120.

Since long distance services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Business Discount Plan, Inc. at the toll free number 800.680.1120 or visit us at <http://www.interstatebdprate.net/>. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information. Thank you for your continued business.

Sincerely,

Business Discount Plan, Inc.
