TARIFF FORMAT

Sheet Numbering - Sheet numbers appear in the upper right hand corner of the page. Sheets are numbered sequentially and from time to time new pages may be added to the Tariff. When a new page is added between existing pages, a decimal is added to the preceding page number. For example, a new page added between Sheets 3 and 4 would be numbered 3.1.

Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).l.
- 2.1.1.A.1.(a).l.(i).
- 2.1.1.A.1.(a).l.(i).(1).

Check Sheets - When a Tariff filing is made with the Commission, an updated check sheet accompanies the Tariff filing. The check sheet lists the pages contained in the Tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision, all revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it. The Tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.

- 2.1.7. The Company reserves the right to discontinue furnishing Services or billing options, upon written notice, when necessitated by conditions beyond its control. Conditions beyond the Company's control include, but are not limited to, a Customer's having Call volume or a calling pattern that results, or may result, in network blockage or other Service degradation which adversely affects Service to the calling party, the Customer, or other Customers of the Company.

- 2.1.8. Except as otherwise provided in this Tariff or as specified in writing by the party entitled to receive Service, notice may be given orally or in writing to the persons whose names and business addresses appear on the executed Service Order and the effective date of any notice shall be the date of delivery of such notice, not the date of mailing. For those Services with monthly recurring charges, the Company's liability is limited to an amount equal to the proportionate monthly recurring charges for the period during which Service was affected.
- 2.3.3. The Company is not liable for any act or omission of any other company or companies (including any Company affiliate that is a participating or concurring carrier) furnishing a portion of the Service or facilities, equipment, or Services associated with such Service.
- 2.3.4. The Customer is responsible for taking all necessary legal steps for interconnecting the Customer provided terminal equipment with the Company facilities. The Customer shall ensure that the signals emitted into the Company's network do not damage Company equipment, injure personnel or degrade Service to other Customers. The Customer is responsible for securing all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection. In addition, the customer shall comply with applicable LEC signal power limitations.
- 2.3.5. The Company may rely on Local Exchange Carriers or other third parties for the performance of other Services such as Local Access. Upon Customer request and execution and delivery of appropriate authorizing documents, the Company may act as agent for Customer in obtaining such other Services. Customer's liability for charges hereunder shall not be reduced by untimely Installation or non-operation of Customer provided facilities and equipment.
- 2.3.6. The failure to give notice of default, to enforce or insist upon compliance with any of the terms or conditions herein, the waiver of any term or conditions herein, or the granting of an extension of time for performance by the Company or the Customer shall not constitute the permanent waiver of any term or condition herein. Each of the provisions shall remain at all times in full force and effect until modified in writing.

- 2.3.7. Except as required by the MTSS, the Company shall not be liable to the Customer or any other person, firm or entity in any respect whatsoever as a result of mistakes, accidents, errors, omissions, interruptions, delays, or defects in Service (collectively "Defects"). Defects caused by or contributed to, directly or indirectly, by any act or omission of Customer or its customers, affiliates, agents, representatives, invitees, licensees, successors or assigns or which arise from or are caused by the use of facilities or equipment of Customer or related parties shall not result in the imposition of any liability whatsoever upon the Company, and Customer shall pay to the Company any reasonable costs, expenses, damages, fees or penalties incurred by the Company as a result thereof, including penalties incurred by the Company as a result thereof, including costs of Local Access Providers' labor and materials. In addition, all or a portion of the Service may be provided over facilities of third parties, or sold by third parties, and the Company shall not be liable to Customer or any other person, firm or entity in any respect whatsoever arising out of Defects caused by such third parties. THE COMPANY SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, PUNITIVE OR ANY OTHER DAMAGES, OR BUSINESS INTERRUPTION, FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF ANY DEFECTS OR ANY OTHER CAUSE. THIS WARRANTY AND THESE REMEDIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OR REMEDIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. 2.7.2.B. All charges for the Service will be computed as if the Service were to be billed to one Customer. The joint user or Authorized User that has been designated as the Customer will be billed for all components of the Service and will be responsible for all payments to the Company. In the event that the designated Customer fails to pay the Company, each joint user or Authorized User shall be liable to the Company for all charges incurred as a result of its use of the Company's Service.

2.7.3. In addition to the other provisions in this Tariff, Customers reselling Company Services shall be responsible for all interaction and interface with their own subscribers or customers. The provision of the Service will not create a partnership or joint venture between Company and Customer nor result in a *joint communications Service offering to the Customers of either the Company or the Customer.*

2.7.4. Service furnished by the Company shall not be used for any unlawful or fraudulent purposes.

2.7.5. The Customer will be billed directly by the LEC for certain Dedicated Access arrangements selected by the Customer for the provisioning of direct access arrangements. In those instances where the Company at the Customer's request may act as agent in the ordering of such arrangements, the Company will bill the Customer Local Access charges.

2.8. Payment Arrangements

2.8.1. The Customer is responsible for payment of all charges for Services furnished to the Customer or its joint or Authorized Users. This responsibility is not changed due to any use, misuse, or abuse of the Customer's Service or Customer provided equipment by third parties, the Customer's employees, or the public. The Customer is *not* responsible for fraudulent charges.

2.8.2. The Company's bills are due 14 days after postmarked. Amounts not paid within 30 days from the Bill Date of the invoice will be considered past due.

2.8.3. If a LEC has established or establishes a Special Access surcharge, the Company will bill the surcharge beginning on the effective date of such surcharge for Special Access arrangements presently in Service. The Company will cease billing the Special Access surcharge upon receipt of an Exemption Certificate or if the surcharge is removed by the LEC.

2.8.4. Company will not require deposits or advance payments by Customers for Services.

2.10.1. The customer is responsible for the payment of all state, local and E911 taxes, surcharges, utility fees, or other similar fees (i.e. sales tax, municipal utilities tax) that may be levied by the governing body or bodies in conjunction with or as a result of the service furnished under this tariff. These charges may appear as separate line items on the customer's bill as opposed to be included in the rates contained in the tariff. Any such line item charges will be reflected in the company's tariff. The company shall not assess separately any fees or surcharges, other than government-approved sales taxes, without seeking Commission approval under the appropriate procedures required by the Commission in Case No. 89-563-TP-COI. The company shall comply with Commission procedures by sending notice to all customers informing them of the new line item charges. Additionally, an addendum to the price list stating what the line item charge is and the length of time the charge will be imposed will be filed with the Commission.

2.10.2. When any municipality, or other political subdivision, local agency of government, or department of public utilities imposes upon and collects from the Company an occupation tax, license tax, permit fee, franchise fee or regulatory fee, such taxes and fees shall, insofar as practicable, be billed pro rata to the Company's Customers receiving service within the territorial limits of such municipality, other political subdivision, local agency of government.

2.10.3. The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amount it is required by governmental or quasi-government authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, compensation to payphone service providers for use of their payphones to access the Company's services.

2.11. Method for Calculation of Airline Mileage

2.11.1. The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by reference to AT&T's Tariff F.C.C. No. 10 in accordance with the following formula:

the square root of:
$$\frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.

Example:

	<u>V</u>	<u>H</u>
City 1	5004	1406
City 2	5987	3424

the square root of:
$$\frac{(5004-5987)^2 + (1406-3424)^2}{10}$$

The result is 709.83 miles. Any fractional miles are rounded to the next higher whole number; therefore, the airline mileage for this example is 710 miles.

2.12. Time of Day Rate Periods

2.12.1. Time of Day Rate Periods are determined by the time of day at the location of the Calling Station.

The rates shown in Section 4 apply as follows:

DAY: From 8:01 AM to 5:00 PM Monday - Friday

EVENING: From 5:01 PM to 11:00 PM Monday - Friday and Sunday

NIGHT/

WEEKEND: From 11:01 PM to 8:00 AM Everyday

The Company may interrupt the Service in compliance with Rule 4901:1-5-17, Ohio Administration Code.
