Docketing Case No.: 08-709-EL-AIR, 08-710-EL-ATA, and 08-711-EL-AAM

Notes: COMPLAINT DESCRIPTION:

I just learned Duke Energy has been given permission to recover the money it had to spend to restore power to the residents of many counties in Ohio. Isn't this what insurance is for? You can't tell me Duke Energy does not have monies in reserve or put away for a raining day or in this case a windy day. This is absolutly absurd. I know for a fact that some peoples energy bills are approaching amounts that compare to their mortgage payments. This is out of hand and the fat cats just getting getting fatter. there needs to be control and it isnt happening.
