MEMORANDUM IN SUPPORT

In order to complete its review of the pertinent documents in these proceedings, the OCC has attempted to obtain access to the workpapers of DEO's Auditor, Deloitte & Touche LLP. However, the Auditor has not granted OCC access without a protective agreement, due to claims of confidentiality. OCC has been working with DEO to work out a protective agreement. However, because a protective agreement has not yet been agreed to, OCC has not yet been granted access to the Auditor workpapers, which has hindered OCC's ability to complete its Comments.

It now appears that the final issues in a protective agreement can be resolved so that OCC can obtain access to the Auditor workpapers. Accordingly, Counsel for DEO, Staff, Interstate Gas Supply and all parties have indicated that they do not oppose a seven-day extension of the procedural schedule for both Comments and Reply Comments and they do not oppose an expedited ruling on this matter.

For the reasons set forth above, the OCC requests that the Commission grant a seven-day extension in the procedural schedule to file Comments and Reply Comments in the above referenced proceedings and rule on an expedited basis.

Respectfully submitted,
