ENTRY NUNC PRO TUNC

The Commission finds:

- (1) Section 4928.141, Revised Code, provides that electric utilities shall provide consumers a standard service offer (SSO) of all competitive retail electric services in accordance with Section 4928.142 or 4928.143, Revised Code.
- (2) On March 25, 2009, the Commission issued its Second Opinion and Order, approving the stipulations filed by various parties in this proceeding.
- (3) However, the third ordering paragraph on page 23 incorrectly states that "[t]he new tariffs shall be effective for services rendered on or after such effective date." This sentence should state "[t]he new tariffs shall be effective for services rendered on or after such effective date, except for Rider DSI which shall be effective for bills rendered on or after such effective date."
- (4) In addition, on page 18, the first partial paragraph incorrectly states that the stipulation, as supplemented, would freeze distribution rates through "December 31, 2009." The correct date is "December 31, 2011."

This is to certify that the images appearing are an  
accurate and complete reproduction of a case file  
document delivered in the regular course of business.

- (5) Finally, page 7 of the Second Opinion and Order incorrectly states that Wal-Mart Stores East, LP, Sam's East, Inc., Macy's, Inc., and BJ's Wholesale Club, Inc. (the Commercial Group) are signatory parties on the supplemental stipulation. Instead, the Second Opinion and Order should reflect the fact that the Commercial Group filed a letter indicating that they agreed with the statements of Direct Energy Services, LLC, and Integrys Energy Services, Inc., and that they are not signatory parties to the supplemental Stipulation.

It is, therefore,

ORDERED, That the Second Opinion and Order dated March 25, 2009, be amended, *nunc pro tunc*, as set forth above. It is, further,

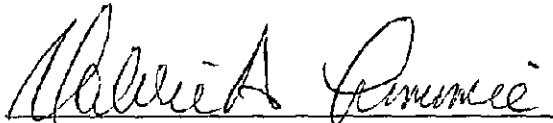

ORDERED, That a copy of this entry be served upon all parties of record.
