Re: Change in Boundaries Between the Reynoldsburg Exchange of AT&T Ohio and  
the Pataskala Exchange of United Telephone Company of Ohio d/b/a Embarq.

Case No. 09-278-TP-ACB  
90-5032-TP-TRF

Dear Ms. Jenkins:

AT&T Ohio and United Telephone Company of Ohio d/b/a Embarq (the "Joint Applicants") hereby file this letter reflecting revisions to the boundary between the Reynoldsburg exchange of AT&T Ohio and the Pataskala exchange of Embarq, pursuant to Ohio Administrative Code §4901:1-6-20(C)(1). Copies of the PUCO provided exchange boundary maps have been revised, as required by the PUCO, to reflect the boundary change as well.

The revised maps reflect the incorporation of a small portion of Embarq's Pataskala exchange into the Reynoldsburg exchange of AT&T Ohio.

This boundary change affects an area where the new Reynoldsburg High School is proposed. The School will be located on the 68+ acres east of Summit Road and south of Refugee Road. This acreage has been annexed by Reynoldsburg City Schools. The site is located on the southern property line which is 2700' north of the center line of E Main St (US40). The measurements indicate roughly 1800' of road frontage. The change is approximately 1,500' South from Refugee Road. It travels East 1,600' then travels South 1500', 600' East and 1,300' South. The parcel I.D. is 115-026610-00.000. AT&T Ohio has facilities necessary to serve this addition to its Reynoldsburg exchange.

The Joint applicants are in concurrence with this change, and confirm that this change will not adversely affect the service being furnished to any existing subscriber.

If you have any questions about this filing, please call.
