In the Matter of the Default of)
Motor Carriers and Drivers) Case No. 09-241-TR-CVF
Pursuant to Rule 4901:2-7-14, Ohio)
Administrative Code.)

ENTRY

The Commission finds:

- (1) Sections 4919.79(C), 4921.04(E), 4923.03(C), 4923.20(C), Revised Code, authorize the Commission to adopt safety rules consistent with, and equivalent in scope, coverage, and content to, the federal regulations governing the highway transportation of persons and property in interstate commerce. Pursuant to this authority, in Rule 4901:2-5-02, Ohio Administrative Code (O.A.C.), the Commission adopted the provisions of the motor carrier safety regulations of the U.S. Department of Transportation contained in Title 49, Parts 171 through 180, Code of Federal Regulations (C.F.R.), including future modifications or additions, unless specifically excluded or modified by a rule of the Commission.
- (2) Section 4905.83(A), Revised Code, authorizes the Commission to determine whether any person has committed a violation of such regulations when transporting persons and property in interstate commerce, which transportation takes place into or through Ohio, and assess a civil forfeiture of not more than ten thousand dollars per day of each violation against such person. Accordingly, the Commission adopted the civil forfeiture and compliance proceeding rules contained in Chapter 4901:2-7, O.A.C.
- (3) Pursuant to Rule 4901:2-7-14(A), O.A.C., a respondent upon whom a Notice of Intent to Assess Forfeiture has been served who fails within 30 days to pay the amount of the forfeiture stated in the notice or to serve upon staff a request for conference shall be in default. Pursuant to Rule 4901:2-7-14(D), if a respondent is in default, the Commission may, on its own motion and without prior notice, order payment of the amount indicated in the notice.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
Technician Am Date Processed 4/1/09

- (4) The Commission staff has served upon each of the respondents listed on the attachment a combined Notice of Apparent Violation and Intent to Assess Forfeiture, pursuant to Rules 4901:2-7-05, 4901:2-7-07, and 4901:2-7-09, O.A.C., for the amount indicated on the attachment.
- (5) The respondents listed in the attachment have not served a request for conference pursuant to Rule 4901:2-7-10, O.A.C., or have not paid the forfeiture indicated in the notice. Each respondent therefore is in default pursuant to Rule 4901:2-7-14(A), O.A.C., and is subject to an order of the Commission finding the respondent liable for the amount indicated and ordering payment of such amount. This proceeding involves 2,637 motor carriers/drivers and forfeitures in a total amount exceeding \$400,000.
- (6) However, before the Commission issues an order finding respondents liable for the amount indicated in the attachment and ordering payment of such amount, each respondent should be granted an opportunity to show cause why it should not be held in default and ordered to make payment of the forfeiture. Each respondent may serve upon the staff a response to this Entry demonstrating that the respondent was not properly served with the Notice of Intent to Assess Forfeiture, paid the civil forfeiture, or served upon the staff a request for conference within thirty days of receipt of the Notice of Intent to Assess Forfeiture. This response shall be made in writing, by May 6, 2009 and addressed to the Public Utilities Commission of Ohio, Transportation Department, Compliance Division, Show Cause, 180 East Broad Street, Columbus, Ohio 43215.
- (7) Staff shall determine whether a respondent has demonstrated good cause why it should not be held in default and shall report to the Commission those respondents who should be found liable for and ordered to make payment of the forfeiture.

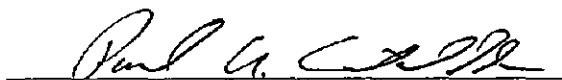

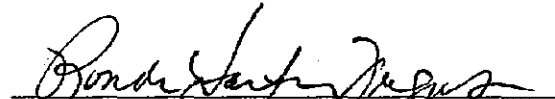

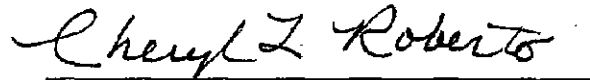

It is, therefore,

ORDERED, That by May 6, 2009, each respondent listed in the attachment to this Entry pay the forfeiture amount indicated or show cause why it should not be held in default and ordered to make payment of the forfeiture indicated on the attachment. It is, further,

ORDERED, That the staff determine whether a respondent has demonstrated good cause and report to the Commission those respondents who should be found liable for and ordered to make payment of the forfeiture. It is, further,

ORDERED, That a copy of this entry be served upon each respondent.
