IMPORTANT CUSTOMER NOTICE

April 3, 2009

Dear Valued Subscriber

Beginning on May 1, 2009 the prices, service descriptions, and the terms and conditions for long distance services that you are provided by Network Billing Systems, LLC will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Network Billing Systems, LLC must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a (guidebook/catalog) online at <http://www.nbsvoice.com/> or you can request a copy of this information by contacting Network Billing Systems, LLC, in writing at **155 Willowbrook Boulevard, Wayne, New Jersey 07470** by calling the Company's toll free number, **888.301.1721**.

Since long distance services will no longer be on file with the Commission, this means that the agreement reached between the customer and the Company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call Network Billing Systems, LLC at the toll free number **888.301.1721** or visit us at <http://www.nbsvoice.com/>. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information. Thank you for your continued business.

Sincerely,

Network Billing Systems, LLC
