ENTRY

The Commission finds:

- (1) The applicant, Columbia Gas of Ohio, Inc. ("Columbia or Company"), is a public utility as defined in Section 4905.02, Revised Code, and, as such, is subject to the jurisdiction of this Commission.
- (2) On March 6, 2009, Columbia filed an application requesting approval of two changes to the tariffs approved in the Commission's December 3, 2008, Opinion and Order in the above-captioned proceedings. The first change would remove the amount of the gross receipts tax from the Infrastructure Replacement Program Rider ("Rider IRP") rate shown on tariff Sheet No. 74. The Commission notes that, since Columbia applies the gross receipts tax to its aggregate revenues, the separate inclusion of the tax in the Rider IRP rate would be duplicative. According to the application, Columbia's billings have been recognizing this adjustment.

- (3) The second change proposed by Columbia is to correct a typographical error in the General Transportation Service tariff, Revised Sheet No. 53. In the "Availability" section, the third tier of consumption was erroneously shown as over 25 Mcf per account per month. The correct consumption level for that tier is over 100 Mcf per account per month.
- (4) This Commission has reviewed the application and finds that it is reasonable and in the public interest and that it should be approved.

It is, therefore,

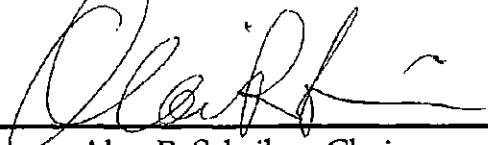

ORDERED, That the proposed tariff Sheet Nos. 74 and 53, as filed on March 6, 2009, be approved. It is, further,

ORDERED, That Columbia be authorized to file two complete copies of tariffs in final form consistent with this Entry. Columbia shall file one copy in this case docket and one copy in its TRF docket (or may file electronically as directed in Case No 06-900-AU-WVR). It is, further,

ORDERED, That nothing in this Entry shall be binding upon this Commission in any future proceeding or investigation involving the justness or reasonableness of any rate, charge, or regulation of Columbia. It is, further,

ORDERED, That a copy of this Entry be served upon all of the parties of record in this proceeding.
