Case No. 09-342-EL-CSS

MOTION FOR EXTENSION OF TIME TO FILE
ANSWER

The Dayton Power and Light Company (DP&L), pursuant to Ohio Administrative Code Rule 4901-1-12 and 4901-1-13, hereby moves the Commission for an extension of the due date for the filing its answer in this matter. The investigation required to verify the facts of this case could not be accomplished in the time permitted.

For reasons further described in the Memorandum of Support below, DP&L believes that an extension of time to file permitting it to answer May 27, 2009 will allow for a thorough review of the situation and serve the interests of administrative economy.

Respectfully submitted,

Edward N. Rizer

MEMORANDUM IN SUPPORT

This complaint concerns customer dissatisfaction with billing and involves a faulty meter, as well as estimated billing calculations. This information requires more time to assemble than the answer period allows. DP&L asks that its request for an extension of time to answer until May 27, 2009 be granted in order that it may present an accurate case and aid in the resolution of this matter as quickly as possible. It is believed that no party will be prejudiced by this extension of the filing date, and in fact, that such an extension will result in a more useful and effective filing.

Respectfully submitted,

Edward N. Rizer (#0029567)
