Re: Case No. 09-90-EL-COI

Dear Ms. Jenkins:

Constellation NewEnergy, Inc. (CNE) is a certificated competitive retail electric service provider active in the Ohio retail electric market. Constellation Energy Commodities Group, Inc. (CCG) is a wholesale energy provider who is active in the Ohio electric wholesale market. Both CNE and CCG support the continued participation by the State of Ohio's electric distribution utilities in the Regional Transmission Organizations administered by PJM Interconnection and the Midwest Independent Systems Operator.

CNE and CCG have no other initial comments to make at this time, but wish to reserve the right to file reply comments as to positions taken by other parties.

Thank you for your cooperation in this matter.

Sincerely,

M. Howard Petricoff (0008287)
