Re: Further Procedures in Case No. 09-119-EL-AEC

Dear Attorney Examiner Price:

On behalf of Ormet Primary Aluminum Corporation, thank you for granting Ormet a continuance of the hearing in this proceeding on May 1, 2009 in order to allow Ormet to file additional testimony in support of the rates it is proposing for 2009. Ormet is now prepared to proceed and is submitting simultaneously with this letter the *Supplemental Direct Testimony of James Burns Riley on Behalf of Ormet Primary Aluminum Corporation*. Per the request of the Ohio Consumers' Counsel that Mr. Riley be made available for deposition seven days prior to the new hearing date, Ormet is prepared to make Mr. Riley available for depositions on June 3rd and/or 4th, and suggests that a new hearing date of June 11th be set.

Again, thank you for your consideration in this matter.

Sincerely,

Emma F. Hand
