Columbus, Ohio 43215-3793

Re: **Hardin Wind Energy LLC,**
Case No. 09-479-EL-BGN

Dear Ms. Jenkins:

I am enclosing for filing in the above-referenced matter, pursuant to Ohio Administrative Code (O.A.C.) Rule 4906-5-09, the proofs of publication attesting to the publication of the notice of an informational meeting. The notice was published in the following Hardin County newspapers:

<u>Newspaper</u>	<u>Publication Date</u>
<i>The Kenton Times</i>	June 11, 2009
<i>The Ada Herald</i>	June 11, 2009

Due to an error in the initial publication, a revised notice was published on June 17, 2009 in *The Kenton Times* and on June 18, 2009 in *The Ada Herald*.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Sally W. Bloomfield

Notice of Public Information Meeting for Proposed Major Utility Facility (Wind Farm)

REVISED: Hardin Wind Energy LLC, a subsidiary of Invenergy Wind Energy LLC, Schedules June 23, 2009 Public Meeting to Outline Plans for New 300 MW Wind Farm in Hardin County

Hardin Wind Energy LLC invites residents of Hardin County and other interested members of the public to attend a public informational meeting regarding the company's plans to build a 300 MW wind farm. Known as the Hardin Wind Farm, this project will produce one of the first operational wind farms in Ohio and help the state further its goal of building a portfolio of renewable energy projects in the State.

The Hardin Wind Farm will spread across 23,000 acres of already-leased land in Hardin County. It will be located in portions of the townships of Lynn, Cessna, Marion, Roundhead, McDonald, and Taylor Creek. The project will use wind turbines (of 1.5 to 2.5 megawatts) manufactured by General Electric and will construct other infrastructure associated with the turbines (i.e., access roads, construction staging areas, operations and maintenance facilities). Construction of the new wind farm is scheduled to begin sometime in 2010, with operation expected in 2011.

The public meeting will take place from 6:00 to 8:00 p.m., Tuesday, June 23, 2009, at Henry's Restaurant, which is located at 995 North Detroit Street, Kenton, Ohio. Company representatives will present an overview of the project as well as general information about wind development in Hardin County. Company representatives will be available to respond to inquiries.
