ENTRY NUNC PRO TUNC

The Commission finds:

- (1) By entry of June 17, 2009, the Commission issued an entry that consolidated the above-captioned cases, scheduled a public hearing for July 15, 2009, and directed the applicant in all of these cases, Akron Thermal, Limited Partnership (Akron Thermal), to provide notice of the applications and the hearing.
- (2) In its June 17, 2009, entry, the Commission inadvertently indicated that Akron Thermal provided steam, hot water, and chilled water service to its customers and directed Akron Thermal to publish a notice stating that it filed an application for an emergency increase in the rates it charges for providing hot water heat and chilled water service. The June 17, 2009, entry should be corrected *nunc pro tunc* to direct Akron Thermal to correct the portion of the legal notice to indicate

that the emergency increase in rates it charges is for providing steam and hot water service.

It is, therefore,

ORDERED, That the June 17, 2009, entry be corrected nunc pro tunc. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
