RE: OPSB Case No. 06-1358-EL-BGN

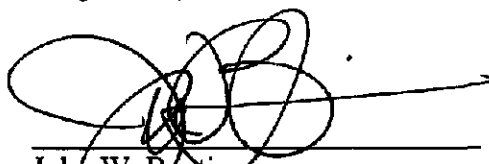

Dear Ms. Jenkins:

Earlier today, July 6, 2009, this firm filed a notice of withdrawal ("Notice of Withdrawal") of American Municipal Power, Inc.'s ("AMP") motion to modify and clarify conditions in the Ohio Power Siting Board ("OPSB") Opinion, Order and Certificate issued March 3, 2008 in the above referenced docket. This firm mistakenly withdrew the wrong motion to modify in that Notice of Withdrawal and desires to clarify that the notice of withdrawal was intended to withdraw a different pending AMP motion to modify, filed in this docket on August 11, 2008, that relates to conditions regarding the solid waste landfill at the American Municipal Power Generation Station, not the pending June 23, 2009 motion relating to other matters.

This firm did not intend, and AMP does not desire, to withdraw the motion to modify filed on June 23, 2009 and that erroneous filing should be deemed withdrawn. We are filing, contemporaneously with this letter, a corrected withdrawal of the August 11, 2008 motion to modify.

I apologize for the confusion that this error may have caused. Please feel free to contact me if you have any questions.

Respectfully,

John W. Bentine
Counsel for American Municipal Power, Inc.
