

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of The)
Dayton Power and Light Company for) Case No. 09-256-EL-AEC
Approval of Its Transmission Cost)
Recovery Rider.)

ENTRY ON REHEARING

The Commission finds:

- (1) The Dayton Power & Light Company (DP&L or Applicant) is a public utility as defined in Section 4905.02, Revised Code, and, as such, is subject to the jurisdiction of this Commission.
- (2) On March 27, 2009, DP&L filed an application for approval of a transmission cost recovery rider (TCRR) pursuant to Section 4928.05(A)(2), Revised Code, and Chapter 4901:1-36, Ohio Administrative Code (O.A.C.).
- (3) On May 27, 2009, the Commission issued its Finding and Order in this proceeding.
- (4) Section 4903.10, Revised Code, states that any party to a Commission proceeding may apply for rehearing with respect to any matters determined by the Commission within 30 days of the entry of the order upon the Commission's journal.
- (5) On June 19, 2009, Industrial Energy Users-Ohio (IEU-Ohio) filed an application for rehearing, alleging that the Finding and Order was unreasonable and unlawful on the following grounds:
 - (a) The Commission's decision to permit DP&L to collect costs associated with the PJM Interconnection, Inc., (PJM) reliability pricing model (RPM) through the TCRR is unlawful and unreasonable.
 - (b) The Commission's Finding and Order violates Section 4903.09, Revised Code.
- (6) On June 29, 2009, DP&L filed a memorandum contra IEU-Ohio's application for rehearing.

- (7) The Commission grants the application for rehearing filed by IEU-Ohio. We believe that sufficient reason has been set forth by IEU-Ohio to warrant further consideration of the matters specified in the application for rehearing.

It is, therefore,

ORDERED, That the application for rehearing filed by IEU-Ohio be granted for further consideration of the matters specified in the application for rehearing. It is, further,

ORDERED, That a copy of this Entry on Rehearing be served upon all parties of record.
