PETITION FOR A REALLOCATION OF TERRITORY

DOCKETING DIVISION
Public Utilities Commission of Ohio

Submit four (4) copies of petition and associated boundary maps and/or overlap sheets indicating proposed reallocation.

Electric Supplier: OHIO POWER COMPANY

Address: 215 North Front Street, Columbus, OH 43215-2291

Location of Reallocation:

PUCO Map No.: H-1 WREN

Effective Dates: September 28, 1983 (OP) &

County: Van Wert

March 3, 1982 (DPL)

Township: Willshire

Reason for Reallocation: An existing Ohio Power Company customer has requested an additional service for a barn located on his property, but in the certified territory of The Dayton Power and Light Company. As Ohio Power presently serves his house in Ohio Power certified territory and The Dayton Power and Light Company would have to cross a farm field to serve the barn, it is in the best interest of all parties that Ohio Power serves the barn also.

Description of Reallocation: Relocate the boundary line in Section 18 beginning at a point where it angles 1220 feet North of Willshire - Ohio City Road; thence South along a property line a distance of 1220 feet to the centerline of Willshire - Ohio City Road; thence West along the centerline of Willshire - Ohio City Road a distance of 1050 feet to where it meets the existing boundary line, as shown on the attached map.

Are affected customers aware of an in agreement with the proposed reallocation? Yes
